Locking Case for Stamps & Seals

Although it is called a Locking Case for your stamps and seals, it does so much more. It can be for any item a person wants to secure at their desk or home...DVD's, CD's, iPods, etc. etc. With the included interior foam lining, your valuable items will be enclosed in a form fitting layer of protection.

Case Dimensions
5-1/4"W x 6-1/4"L x 3-1/8"H

Seals (SoftSeal & Locking)

SoftSeals have a comforting layer of soft rubber on the handle and frame of the seal, making the item easier and more comfortable to operate. The Locking Seal adds an extra measure of security to the product.

(not actual size)

Finger Print Pads

A combination of porous plastic and specifically designed ink enables us to create a unique finger print pad. The ink removes itself very easily from your fingers with a dry or moist towelette being all that is needed.

Impression Inker

The Impression Inker is utilized to create a photographically reproducible image when using an embosser. Offers the best in portability and value. Available with handles or without.
